### **Media Release**

**Re: BOLO (Be on the Lookout)**

---

The Auburn Police Department is requesting that business owners and residents be on the lookout for the following vehicle, which was involved in a Grand Larceny, that occurred at a business located in the area of Arterial East and Seminary Ave, City of Auburn, on October 01, 2014 at approximately 0530am.

The unknown suspects were operating a white cube style van/truck, picture attached, and were only on the property for a few minutes. During that time they stole an unspecified number of tires and rims from outside the business.

The actions of the suspects and the vehicle appear as though they were familiar with the area and hours of operation. The Auburn Police Department is requesting that area businesses review their surveillance footage on this date, and determine whether the suspect vehicle visited their property, and if so determine if anything was taken during that time.

If anyone has information regarding the identity of the driver, owner, or the vehicle, they are encouraged to contact the Auburn Police Department. Callers may remain anonymous. Please contact (315) 253-3231 or Det. B. Bergenstock if you have any information.
